## Topics

- What is the legal age for gambling in your jurisdiction?
- Are gambling debts recoverable? What documents would be required (for gambling online and on site)?
- If not, is there a possible alternative way to try to recover gambling debts?
- Is there a specific Gambling Winnings Tax (or are gambling winnings treated like any other income)?
- Would the Courts of your jurisdiction enforce a Monegasque judgement without decision on the merit (under the common conditions; i.e. competence, proper notice to the defendant, application of the proper law, absence of provision contrary to the public order)? How long it could take?
